THE MOST RELIABLE BRAND

2019 is a special year: Panda Fireworks' 30th anniversary.

On May 17th of 1989, Mr. Jackson Zhao started Panda Fireworks, China's first private fireworks exporting company. Ever since, Panda has been committed to supplying international consumers and professionals with the most reliable fireworks from China.

Through 30 years of development, Panda has grown into a group company with its fireworks service range extending from research and development, manufacturing, export, display to domestic wholesale. Being publicly listed on Shanghai Stock Exchange Market (stock code:600599), Panda has also built a booming finance business in recent years.

Winda Fireworks is Panda's consumer line for American market, having its mission as the most reliable fireworks brand. After more than two decades of building and growth, Winda now is an established premium fireworks line for its consistent top quality and continuous innovations.

As Panda celebrates 30 years of uninterrupted service to consumers and the industry, we take this opportunity to thank all our dearest customers and friends for helping Winda grow stronger in the market. Without your love and support, we could never have come so far!

Thank you! And let's build the next glorious 30 years together!
